

SAFETY CERTIFICATE

The school building of **D. A.V Sr.Sec. Public School Dehra Tehsil Dehra District Kangra (H.P.)** was inspected by me with the concerned junior Engineer. The building has neither been designed nor constructed by this department. No earthquakes resistant norms have been adopted for this building. No structural drawings approved by the competent Government Agency have been produced. This structure is a Non Engineered structure, hence the structural safety of this building cannot be ensured specifically from earthquake point of view. This building has been constructed in the year **1985**. This department will not be responsible for any type of loss of life and property etc. if this structure fails under any circumstances. However as per visual inspection the building appears to be safe at present under static loads.

Note:- The School Administration shall be responsible for security of the school children in the school complex.
